Called to Order at 3:03

President Robert Jackson announced that the Board would immediately go to executive session to consider the problems caused by Keith Long's resignation from the Board. It was MSP to go to executive session. The four guests were excused from the room, and the Board went into executive session at approximately 3:06.

The executive session was closed at 3:19, returning to open session.

Don moved that we post on the web site and facebook that Keith Long has resigned and there is an opening on the board for the secretary's position asking for nominations. The motion was seconded and passed.

The four women at that point started commenting at some length accusing board members of various malfeasances. They refused to be silent and continued to disrupt the Board meeting. After trying a number of times to resume normal decorum, President Robert Jackson closed the meeting at 3:25.

Presented by Bert Lewis in the absence of a Secretary.
