NO. 17-2-00812-34

DECLARATION OF ANDREW KOLIBAS

Plaintiffs,

vs.

FOXHALL COMMUNITY ASSOCIATION, a
nonprofit corporation,

Defendant

I, Andrew Kolibas, am competent to testify on the matters set forth herein and make this
declaration of my own personal knowledge and belief.

1. I have been a member of Foxhall Community Association for approximately three years.

2. On or about November 15th, 2015, Denise Solveson asked me to give her my proxy for
the upcoming special Association meeting to consider a new bylaw. I have since learned that
much of what she told me that day was misleading and largely a fabrication.

3. Denise knocked on our door and solicited our proxy vote to support her cause. She
stated many "Facts" that I later learned were opinions that, though I respect her and her opinions,
once educated on the subject I disagreed with.

DECLARATION OF ANDREW KOLIBAS

1 4. She also pressured my spouse by stating that my father-in-law already supports her and
2 that "We should just vote like him."

3 5. On a later occasion, she stated that she already had our proxy from a previous vote and
4 could just "use that again." I was confused on how an old vote could be used more than once and
5 did not agree with this idea.
