NO. 17-2-00812-34

DECLARATION OF DENNIS LONGNECKER

I, Dennis Longnecker, am competent to testify on the matters set forth herein and make this declaration of my own personal knowledge and belief.

1. I have been a member of Foxhall Community Association for approximately 31 years.

2. On or about November 15th, 2015, Theresa Lowe and another lady asked me to give her my proxy for the upcoming special Association meeting to consider a new bylaw. I have since learned that much of what she told me that day was misleading and largely a fabrication.

3. They said they didn't want horse businesses using Foxhall property. However, when I gave examples of other businesses using Foxhall property, they said that was acceptable. It seemed they were picking on one particular horse owner.

4. They also said Foxhall was unable to get insurance because we allow business to use

2 5. They both got what I would consider aggressive towards me because I would not agree
3 with them and afterwards Theresa Lowe did send me an apology note for their behavior.

4 6. During my six years on the Board, 1994 - 2000, we never recorded a formal proxy vote.
